Certificate of COOP Training Completion

This is to certify

Rayid Al-Malki #840930

Rayid has successfully completed the 8-week coop training as an Assistant Engineer, spanning from June 16th to August 11th, 2025. During this period, Rayid gained operational experience in the field of gas processing and acquired essential skills, enhancing his capabilities as a future engineer.

Mohammed Y. Saati, Supervisor
UGP Engineering Division, Process Unit
